**Double Ring  
Ceremony Unites  
Couple**

A pretty fall wedding took place in Holy Ghost Catholic Church on Saturday, September 28th when a double ring ceremony, performed by Rev. Father D. Fleming joined in marriage Joan Ann, daughter of Mr. and Mrs. Frank Weber of Calgary, to William son of Mr. and Mrs. Joseph Kubik of Coleman.

Miss Helen Morris was organist for the ceremony.

Entering the church on the arm of her father, the bride was radiant in floor-length tulle nylon net gown with lace insets. Her collar was pearl studded and the sleeves were lily point.

Her finger-tip veil of illusion net veiled from a pearl and sequin trimmed cap. Her cascade bouquet was red roses.

Bridesmaid, Kathy Kubik, sister of the groom, and Frances Gossie, of Blainmore, chose matching lace and net ballgown length gowns in blue and pink respectively. Their bouquets were pink carnations.

Attending the groom were Robert Kubik, brother of the groom, and William Sygatauk.

Following the ceremony a reception was held at the home of the groom's parents. The rooms were decorated in pink and blue streamers and white wedding bells. The bride's table was beautifully decorated and centered with a four-tier wedding cake.

Receiving with the bride party were the bride's mother, who chose an afternoon frock of beige crepe with brown accessories and a pink stole. Her corsage was pink feathered carnations.

Mrs. Kubik wore a beige plaid taffeta dress with white accessories, and she also wore a pink feathered carnation corsage.

For a wedding trip to Kalspell, Mont., the bride chose a brown tweed suit with beige accessories, and a yellow carnation corsage. On their return they will reside in Blainmore.

**Urges Action  
To Insure Fair Deal  
For Teachers**

The Alberta Teachers Association should take positive action to insure that every one of its 9,000 members is given a fair deal in case of disputes with local school boards, secretary-treasurer Eric C. Ansley of Edmonton said in Lethbridge Thursday.

He was addressing approximately 500 delegates at the opening session of the 58th annual convention of the Southwestern Alberta Teachers' Association in the Lethbridge Collegiate Institute. The convention continues Friday.

Mr. Ansley said there are only about 20 cases each year where a teacher is dismissed or transferred to another school. But in these cases the teacher "often gets a rotten deal and we are not doing anything about it."

Local boards had the right, he explained, to dismiss an inexperienced teacher after the first year if he or she proves unsatisfactory and might also transfer teachers from one school to another.

In many such cases, he said, the moves are made by the boards on the basis of only a few complaints and the teacher has no chance to defend himself.

"We do not ask that no teacher be fired or transferred. If he is really incompetent, he should be released, but we think he deserves a fair trial. Even a criminal is granted a trial and a chance to defend himself, why not a teacher?" he said.

"Is it any wonder there is a shortage of teachers and that it is often difficult to fill vacancies in small town and rural schools?" he queried.

Mr. Ansley also urged ATA members to co-operate in developing a more positive program of public relations for the Alberta Teachers Association.

"Many think the ATA is nothing more than a glorified trade union demanding better salaries and working conditions for teachers. The public does not know about the other work the association does, such as providing scholarships, research programs, and study of ways to provide a better standard of education," he said.

"There is a serious lack of understanding of our work by the public and I think it would be an error to continue drifting as we have been doing in this field of public relations," he continued.

Mr. Ansley indicated something definite would be done at the annual general meeting next spring to bring out a new public relations program and asked support of all teachers for its development.

He spoke also of the importance of the national conference on education slated for Ottawa next February.

Teachers are vitally concerned in providing a better Canadian standard of education. Preliminary work for the conference came originally from the Canadian Teachers Federation, but from now on teacher will have leadership to business and industry, he said.

"We are sincerely concerned in providing the best possible education and will play an active supporting role at the conference," he added.

While the conference may not improve teachers' working conditions or educational facilities for wealthy Alberta cities he said, it might well mean better schools for provinces like Prince Edward Island, particularly if the federal government were to assume some financial responsibility, he said.

Chairman of the meeting was convention president S. J. Solberg of Taber. The convention broke into workshop sessions for the remainder of the day.

All Coleman teachers attended the convention with the exception of Mrs. K. Noble.

**"We Won't Be Pushed  
Around" States School Board**

Coleman school board members were informed at last week's regular board meeting that their request for additional lands to be included in the Coleman school district had been rejected by the Department of Education. Previously they had been informed by certain department officials that it was their impression that the proposed additions was only right.

The department of education went on to inform the board that if they would join the Crows Nest Consolidated School District they would gladly reconsider the whole matter.

"SQUEEZE PLAY" was the comment of the board and "We Won't Be Pushed Around".

The additions of the land in question are certainly not going to get us to fall for the "Greater Tax Rate" of the Consolidated district.

The following letter, received by the board, brought angry comments from the members, especially to the resolution to the Department of Education by the board members of the Consolidated School District. This was felt as being entirely no concern of theirs and that they should attend to their own affairs and leave Coleman's to the Coleman people.

Minister of Education  
Edmonton, Alberta,  
October 4, 1957  
Dear Mrs. Goulding:  
Re: Proposed addition  
of certain lands to your  
District

After giving careful consideration to your letter of September 20th regarding the above mentioned matter, which was addressed to Dr. G. L. Mowat, the former Assistant Director of School Administration, I wish to advise that we have come to the conclusion that the decision conveyed to you in his letter of September 4th by Dr. J. W. Chalmers, Dr. Mowat's successor, will stand.

We wish to confirm, therefore, that while we are not prepared to aid any of the lands in question to your District at this time we will gladly reconsider the whole matter should your district at some future time join the Crows Nest Consolidated School District No. 78 or unite with all other districts in the area to form a new school division.

It should be added that a few days ago we received a letter from the Secretary of the Crows Nest Consolidated School District reporting that at a special meeting of his Board held on September 24 the following resolution was unanimously adopted:

"Resolved that this Board go on record as opposing any enlargement or extension of the present boundaries of the Coleman School District."

Yours sincerely,  
Anders O. Aalberg.

The cost of the new roofs and repairs caused by hail damage came under fire. The main point of contention was the cost of re-shingling of the residence in the school grounds. It was pointed out that only one side was shingled for a total cost of \$290.00 against \$440.00 for the one side of the Central school. This account was

**Will Consider  
League Expansion**

Consideration of applications of Medicine Hat, Taber hockey teams for entry in Alberta, B.C. and Montana Hockey League will be on the agenda of the annual reorganization meeting of the league on Oct. 20, according to information released by Leon Ruschall, league president.

Other items to be dealt with by representatives of the teams comprising the league will be election of officers for the coming season and the president's report on league operations during the 1956-57 season.

Both president Ruschall and secretary Dick Furneaux, who so ably handled the league's affairs last season, informed the Free Press they will not be available for the positions this year.

The Medicine Hat Catalinas, top team in the Alberta Big Six last year, were banned from that league this season following a squabble regarding financial arrangements. Officials of the league are interested in obtaining a berth in the A-HC-M league which last season was composed of clubs from Great Falls, Coleman, Natal-Michel, Fernie and Cranbrook.

Little is known here of the strength or prospects of the Taber club outside the fact that team officials have indicated interest in entering the league.

Kimberley Dynamiters, with no rink available in their home town, are reported to be making arrangements for the use of the Cranbrook arena as their home ice for the season. The club will be available for exhibition games while preparing for re-entry into senior competition next year.

Most of last season's league clubs are expected to be back into competition for the league championship, held by Coleman Grands who last spring defeated Fernie Rangers in straight games in the finals.

Prospects for a contending club in Fernie this season do not appear too bright at the moment. Five or six members of last year's team will not be out when practices start in about a month. Very little replacement talent appears to be available from juvenile ranks and up to the present only two newcomers with hockey talent have been uncovered.

Natal-Michel Coal Kings, who occupied last place in the league throughout last season, also appear to be in dire straits again. Gordon Turky, straight forward who supplied most of the team's scoring punch, has left to join the Melville Millionaires in the Saskatchewan Junior League.

There has been some talk in Fernie hockey circles suggesting that Rangers and Coal Kings combine forces to ice a team capable of holding its own in a league expected to be stronger than last year. However, neither club has held its re-organization meeting as yet and there is no indication that the subject will come up for discussion.

**Old Age Pensioners  
Enjoy Entertainment**

The regular meeting of the Coleman branch of the Old Age Pensioners took place in the Elks hall on Monday evening.

Mrs. J. Goulding presided when the minutes of the last meeting were read and approved. It was reported that several members including Mr. J. Fraser, Mrs. M. Dewar, Mrs. A. Derbyshire and Mr. G. Huydens were ill.

Plans were discussed for the annual Christmas party with the meeting deciding that the same procedure as in past years would be followed. The executive was authorized to go ahead and make all necessary arrangements.

Final plans as to the date and other details will be announced at a later date.

Following the business meeting the members were royally entertained by a very talented musical group known as the Junior Arcadians. This group was composed of Darlene Korman, piano, Danny Edli, saxophone, Ralph Vigna accordion, Allen Rae, trumpet, and a drummer, Ronnie Kubik (not a member of this group) who did a very good job.

This group of teen-agers surprised all present with their handling despite their tender age, of polkas, waltzes and modern music which was enthusiastically received and greatly enjoyed by all.

Richard Chernecky, a boy gifted with a very beautiful voice, sang several solos accompanied by Michael Klonzina, on the guitar, which were really enjoyed. He returned for many encores.

A very delicious lunch served by the committee brought a very enjoyable evening to a close.

The next meeting of the Association will be held in the Elks hall on Monday, November 4.

## Special General Meeting

A Special General Meeting of the members of the Canadian Legion, B.E.S.L., Branch No. 9, will be held in the Club Rooms on

A GOOD ATTENDANCE IS REQUESTED  
J. KULIG, President.

*"Should additional types or outlets for the sale of beer, wine and spirituous liquor be permitted if such outlets are later approved by local vote?"*

## YOU WILL BE ASKED THIS QUESTION

*In a Provincial Plebiscite on October 30th.*

You will be asked to vote "yes" or "no" on this important question. The Alberta Hotel Association reprints it above so that you may consider it fully before casting your ballot.

Perhaps this question had occurred to you: "If the liquor plebiscite is passed, will it permit certain types of liquor outlets which I do not approve?"

As you read the ballot you will find the answer! It expressly states that any new type of outlet which may be introduced will be subject to a local vote before being effective in any community. No additional type of outlet will be opened in any town or city unless the citizens approve it by this local vote.

Why is the plebiscite being held? Alberta's Legislative Assembly felt that Electors should be given their Democratic right to say whether or not the present Liquor Control Act is in keeping with the present-day thinking of the people of Alberta.

### Where does The Alberta Hotel Association stand?

In a Brief to the Liquor Committee of the Legislature, the Alberta Hotel Association suggested that if amendments were made in the Liquor Act, the following should be considered:

- Liquor Licenses for Dining Rooms of an obviously high standard.
- Cocktail Lounges in hotels with suitable administrative restrictions as to number and character of hotels where liquor may be sold.

This Association has the utmost faith in the Alberta Government's administration of the Liquor Control Act. This is why we feel that fears expressed on the question of new types of outlets are exaggerated. Any new outlets for the public sale of liquor would, we are sure, be controlled by legal restrictions.

You are being asked to give your opinion... **GIVE IT** by casting your vote on October 30th.

## THIRD GAME IN WORLD SERIES (By Goat River Gus and Ernest L. Thayer)

### Third Game—

Milwaukee's conquering heroes were welcomed with display: By enthusiastic homefolk in jubilant array.

With half a dozen pitchers as one might say, on tap!  
The beer-bottling partisans would their second win uncup.

Ent. Oh! the disillusionment! and Oh! the bitter pill!  
When top half of first innings, Yanks licked 'em three to nil.  
Someone must be blamed for this, someone be relieved.  
Fred Haney did the jerking trick—Bob Buhl to tub was heaved.

Pizarro raked the home-plate, but storm did not abate;  
And very soon Bob Turley howled out to loser's fate.  
Old Casey read the Riot Act—"four walks comprise a sin",  
Another Bob had left the mound, Don Larsen then stepped in.

But all was not serene for Don before his chore begun:  
Bub Hazle soothed the nervous Braves by chalking up a run.  
Last half of second innings with few minutes left to play.  
With loaded bases set to freeze, Don Larsen saved the day.

Third innings was a Yankee romp and Braves' last hope did yield:  
The Yogi and McDougald scored—from Lumpie to centre field.  
Don Larsen had regained his stride, to fill The Boss with pride;  
And with the score still five to one, he soon retired the side.

### fourth inning—death hovers . . .

Now Mickey Mantle clipped the ball to bring to seven the score;  
And Yogi Berra with the ump was getting mighty sore.  
'Twas then that terror gripped us all as Casey joined the fray—  
We've never seen an Umpire killed—it came pretty close today!

In fourth Pizarro hit the skids and Gehe Conley pitched;  
In fifth poor Gene left the mound—Ern Johnson made the switch.  
Don Larsen, there by Casey's grace, found pitching wasn't fun.  
Especially when Aaron hit a double-yoked home-run.

Then You-Know-Who erupted from his dugout in the ground;  
A grizzly with a punctured rump, he raged toward the mound.  
And to the seventh Ron Larsen was as careful as could be;  
While Trowbridge, fifth on Haney's list, had set Ern Johnson free.

### seventh inning . . .

The seventh was last to all intents and made the final score;  
It also ordered Don McMahon to end the pitcher's chore.  
Marine Hank Bauer belted one to give the Yankees nine.  
Then Tony Kubek's three-run shot with Bauer's did combine.

And that was IT! Yanks twelve to three with Larsen still their hub;  
With six of Haney's pitching squad now rising in the tub.  
The eighth and ninth were fish and chips, Milwaukee feeling sore,  
And Casey " ? ? ? " well, to tell the truth—he's spild to the core!
